CHARLEROI PRIMED FOR MONSTER CELEBRATION

Events of Tomorrow Will Begin at Early Morning Hour

TOWN BEING DECORATED

Tomorrow one of the biggest demonstrations in the history of Charleroi will be held to properly celebrate the opening up of the new Bentleyville-Charleroi Electric railway line. The day will be one of pleasure from beginning to end.

Today streets are being cleaned and buildings are being lavishly decorated. Tomorrow morning, when people awake they will behold a municipality in gay festal array, for the Magic City will be a mass of color. The national red, white and blue are being used effectively in decorating.

The celebration will begin at 9:45 o'clock in the morning, when the Pigeon Creek valley citizens will be met at the corner of Second street a d Fallowfield avenue. They will be escorted by the Charleroi reception committee to the stand now being erected on McKean avenue between Fourth and Fifth street. There Councilman W. R. Gaut will deliver the address of welcome, which will signalize the beginning of the celebration.

A tug-of-war at 11:30 o'clock, a mule race at 12:30 a motocycle hill climbing contest at 1, a marathon race from Ellsworth to the baseball grounds here at 1:30, a balloon ascension at 2:45, a baseball game at 3:15, and events of the evening that will be among the leading events of the entire day—such will be the order of the program.

A band concert will begin the evening celebration. It will take place at the band stand on McKean avenue at 7 o'clock and following it prizes will be awarded to winners of the various contests.

At 7:30 o'clock Capt. J. K. Hein, with his aides will marshal his forces and the illuminated industrial parade will begin. It will close at the stand on McKean avenue, and a band concert by the Ellsworth-Cokeburg band under direction of Americus Pardini will bring to a close the day's events.

MARY PICKFORD IN "SUCH A LITTLE QUEEN"

"Such a Little Queen" the celebrated romantic comedy will be the attraction at the Coyle theatre Friday. The picture which is released by the Paramount company will be shown on Friday instead of on Thursday evening on account of the Charleroi celebration. Mary Pickford in the role of the little queen makes one of the best impressions of her already brilliant career. The story is an interesting one of comedy and sentiment in which the little queen proves that there is little difference between the royalty and the common people when wrecked by the ways of fate.

BENTLEYVILLE HIGH SCHOOL MATTER AIRED

The Bentleyville High school students, a short time ago posted notices ridiculing the idea of moving the high school quarters from the present building to the Piper building and as a result the ire of the school board has been thoroughly aroused.

At a meeting the school board passed a resolution stating at what an enormous cost the Bentleyville High school was under and that if a new building is erected it will mean an additional expenditure of about $10,000.

The matter which is causing much attention is rather amusing in some respects, the High school students, or many of them at least little suspecting what the result of their prank would be. It is thought, however, that the difficulty will be amicably settled.

SUIT FOR DAMAGES AGAINST CONSTABLE IS FILED IN COURT

E. Kline of Bentleyville has filed a suit for $2,500 damages against Constable W. E. Jericho of Monongahela for alleged unlawful levy and sale of certain store goods in Bentleyville, to satisfy a claim of Stewart Brown & Co. The plaintiff alleges that the goods levied upon and sold as the property of J. Kline was her property, that notwithstanding she gave proper notice to the constable he proceeded to sell them. It is averred they were sold at the low price of $80. The goods were levied upon at the instance of Stewart Bros. & Co. to satisfy a claim of $189.90. It is averred also that the constable acted wholly without his jurisdiction.

NON-PARTISAN TICKET NAME IS THROWN OUT

Judge McCarrell has sustained the obections to the use of "non-partisan" as a party appellation for candidates on the grounds that it conflicts with the official non-partisan ballot for judicial and some municipal offices.

Three days are allowed the affected candidates within which to amend their papers.

REGISTERED NAMES MUST COME OFF THE LIST, SAYS JUDGE

In the court decision handed down by Judge R. E. Umbel at Uniontown it is directed that 519 names be stricken from the registration list of Redstone township No. 3.

It was in this district that Detective Frank McLaughlin in endeavoring to serve subpoenas was able to find but a few persons to answer to the names which had been added to the registration list after the regular May registration.

Judge Umbel directs that 519 of the names upon the list be stricken off and advises that the honest, law-abiding citizens of the precinct forget politics, join hands and present a petition to the appointment of honest men upon whom they can agree for overseers of the coming election.

OFFICIAL BALLOT SHEETS WILL BE LARGE THIS YEAR

The official ballot this fall will be 19 by 25 inches. The first column will be for the straight party votes, and the parties are arranged in the following order: Democratic, Washington, Republican, Socialist, Bull Mosse, Roosevelt Progressive, Prohibition and Keystone.

The second column is for the non-partisan vote, the judicial candidates being on a non-partisan ticket.

In the third column will appear the names of candidates for representa- States senator, govenor, lieutenant governor and secretary of internal affairs.

In the fourth column will be the names of candidates for representatives in congress-at-large.

In the fifth column will appear the candidates for representative in congress, state senate and representative in the general assembly.

In Charleroi borough each voter will receive two ballots, the regular ballot and a small ballot on which they will vote for or against the bond issue of $75,000.

HIGHWAY ACTIVITY TO BEGIN WITH CHRISTMAS

District Work to be Taken up in Preparation for Spring Season

ENGINEER VISITS HERE

State highway work will be given attention in Washington county after Christmas, according to the statement of Alexander Gray, engineer in charge of the district. At present affairs in the western end of the state are rather slow. Only one engineering corps is employed in the district of which Washington county is a part.

Engineer Gray was at his former home in Charleroi a few nights ago and talked of the road work now being done by the state department. There has not been much road building for the last few months in his district, although several stretches have been finished up. One of the pieces of road completed was that from Charleroi to Speers.

It was only after money secured by the state on automobile licenses was turned over to the state highway department for improvement and maintainence of highways that any work could be done.

Picklosky to Recover

Man Who Fell 75 Feet in Improved Physical Condition at Local Hospital

John Picklosky, who fell a distance of 75 feet Tuesday morning while working in the stack at the water pump station, is reported to be resting easy at the Charleroi-Monessen hospital. It is now thought that he was not internally injured. His back seems to be alright. His left foot was crushed and the leg fractured near the ankle.

The fact that he escaped alive is considered by many to be almost miraculous. He fell into the soot pit, in which there are about five feet of soot. This acted as a cushion and broke his fall.

CHORAL SOCIETY IS ORGANIZED

Musical Organization Now a Reality—Prof. Daniel the Director

What will be known as the Charleroi Choral society was organized at a meeting held in the high school auditorium Tuesday evening by about a half hundred singers of Charleroi and vicinity. A constitution and by-laws were adopted and officers were elected. Officers chosen were as follows:

President, August H. Bosson; vice president, Warren Kinder; secretary Miss Helen Woodhall; treasurer, Miss Marie Whitehead; choral director, Prof. I. T. Daniel.

The set of by-laws and the constitution was presented by a committee of which Frank M. Haines was the chairman. Prof Daniel as choral director and the officers of the organization as a committee of managers are given almost absolute charge of affairs.

A short rehearsal was held when one song was taken up. The next meeting will be held a week hence on Wednesday evening at 8:30 o'clock at the high school auditorium, when practice rehearsal for a concert will begin.

A WELCOMING WORD.

Tomorrow Charleroi will entertain in celebration of the opening of the Charleroi-Bentleyville electric railway line. Once again it will have the opportunity of showing the hospitality for which it is noted.

The opening up of the new trolley line marks the beginning of a new era for Charleroi and the community. It means the beginning of a better business period for the valley section and the rapid development of the Bentleyville and Ellsworth industrial regions. It means the making of neighbors and friends of those who formerly were simply strangers.

It is right that Charleroi should celebrate and entertain even to a lavish extent. Pigeon Creek valley people should be made to enjoy themselves and as the plans have materialized, only inclement weather will prevent them from doing that. The effort may be costly, but it will be worth it.

BENTLEYVILLE

Wrecked Auto Being Repaired

The large automobile belonging to George Haberlin which was recently badly demolished in a wreck near Brownsville is undergoing repairs in his garage here. The car shows the results of the wreck vividly—steering wheel bent and broken, rear mud guard badly demolished, lamp torn from socket, front axle twisted in two and other traces of fierce wreck. The damages are of a nature however that repair in full is made possible without detracting from any of the car's qualities.

AFTER PASSING YEARS

Charleroi Testimony Remains Unshaken

Time is the best test of truth. Here is a Charleroi story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. George Ewing, 912 Shady avenue, Charleroi, Pa., says: "One of the family had attacks of kidney disease for years. He often complained of his back aching and he was so bad at times that he had to lay off from work. The kidney secretions were irregular in passage and caused him much annoyance. Mornings he got up feeling lame and stiff. He was advised to try Doan's Kidney Pills and he got a box at Piper's Pharmacy. After taking the remedy a short time he was benefited and several boxes did him a world of good."

A Later Statement.

On January 25, 1914, Mrs. Ewing said: "We still hold as high an opinion of Doan's Kidney Pills as when we gave a public statement praising them some time ago. We always have a box of this remedy in the house and recommend it whenever we can."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Ewing recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

Wash-Day Hint

The right kind of borax, combined with soap, is the greatest cleanser for clothes.

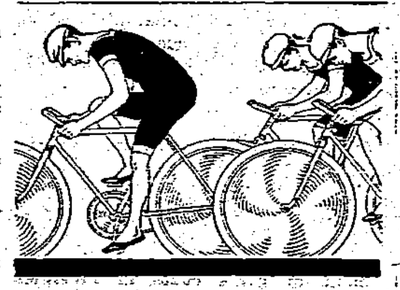
The borax must be combined with the soap in the proportion of one part borax to three parts soap.

The only way to put in that much borax is in the form of borax soap chips.

Two pounds of this mixture which will cost 25c, will go as far as 50c worth of bar soap, or twice as far as a four-pound package of ordinary soap powder.

Borax soap chips costs a little less to use than any other cleanser, they make the work easier and they make the clothes cleaner, too.

"20 Mule Team Soap Chips" are sold by leading dealers here in Charleroi and vicinity.



The Winner Rides "Goodyear-Akron"

$2.48

He goes further and faster because there was never an easier riding bicycle tire or a more enduring one. He not only saves time, but he saves at least $1.77 every time he buys one. For many other makes cost as much as $4.25 for tires of no greater durability.

The low price of the Goodyear-Akron ($2.48 each, plain tread; $2.75, non-skid) is due to immense output and factory efficiency. The price does not begin to indicate the true value of this tire. But it is the right price for the best single tube tire made. Why pay more?

Remember the name, the price and the place, when you need a bicycle tire.

PITTSBURG TO PLAY INDIANS ON SATURDAY

University of Pittsburg has its first big home game of the season at Forbes field this Saturday, Glenn S. Warner's famous Carlisle Indians being the attraction against Joe Duff's huskies at the big Oakland stadium. The Aborogineees are always a fine attraction in the Steel City as they play the brand of wide open football which is attractive to the football fans.

It is reported that Guyon, last year's husky halfback, who is touted as a second "Jim" Thorpe, will return to the Carlisle lineup for the Pitt game. Guyon is a terrific line bucker and gained more ground against Pitt last year than any other member of the Carlisle team. With him in the lineup, Carlisle is fifty percent stronger.

Coach Duff has a fine array of talent to pick a varsity to face the Indians and his final lineup will be kept secret until Friday night. There are about 25 men on the squad who are high class varsity material. The backfield candidates are especially promising. Miller, Williamson, Hanley and Hastings have been starting all the games thus far as all four are good defensive men in addition to being clever on offense. Miller, who comes from Wyoming Seminary, is a wonder in getting men out of plays when his teammates are running with the ball. Hastings has shown great ability as a field kicker and negotiated one from the 30 yard line against Cornell university. He is a product of Kiski school. Williamson is proving a reliable quarterback. He runs back punts better than any player Pitt has had in years. Hanley is from East High School, Cleveland. He is a bull like line plunger, throws forward passes with great accuracy and is cool and nervy on defense. Morow of Indiana Normal, is showing a lot in the backfield and will be a steady performer in all the big games. Other backfield men who are showing up well are Dillon, De Hart, Collins, Ward and Heil.

Heron, McCarter, Carlson and Matson are likely end candidates. Thornhill and Jones have been working well at the tackles and Capt. Smith and Reese are holding down their old positions at the guards. Shapira, Hockensmith and Peck are fighting hard for regular center job.

The Carlisle game will start at 3 p. m. Hundreds of out of town football fans will attend. High school football players will be there from many towns adjacent to Pittsburg as guests of the University athletic council.

HUSBAND BOUGHT VINOL FOR WIFE

Mrs. Kerns Suffering from Nervous Breakdown Thought She Would Never Be Well Again, But Recovered.

So. Cumberland, Md.—"For a long time I suffered from a general nervous breakdown of the system, and thought I would never be strong again.

"My stomach troubled me so I could not eat, and sometimes I was so weak I was not able to do my housework. Finally my husband heard about Vinol and asked me to try it. After the first bottle I was greatly improved. I have now taken five bottles and it has done me a wonderful amount of good. I sleep soundly, am well and strong, and feel like a new woman and you may publish this for the benefit of every nervous, run-down man or woman who wants good health."—Mrs. D. W. KERNS, So. Cumberland, Md.

It is the combined action of the curative elements of the cods' livers, aided by the blood-making and strength-creating properties of tonic iron contained in Vinol which makes it so efficient in restoring health and strength to weak, nervous, over-worked, run-down men and women.

Try a bottle of Vinol with the understanding your money will be returned if it does not help you.
